

Refer a Friend Terms and Conditions:

Definitions

- Referrer: the person who **initiates** the referral by recommending Access Creative College to someone else.
- Referee: the applicant who is **referred** by the referrer.

Eligibility

- The scheme is open to current Access Creative College students and offer holders who are enrolling in September 2026.
- Referrals must be new applicants who have not previously applied or enrolled at Access Creative College.
- Only applications submitted on or after 14/07/26 are eligible for our Refer a Friend scheme.
- Applications to the London campus are excluded from the scheme.

How it works

- Once the referee has applied, if eligible to study with us, they will be invited to an interview with the admissions team.
- The admissions team will ask if you have been referred by a current student or offer holder. You must provide the following information on the referrer: full name, campus and course of study.
- The referee must apply, be accepted, and fully enrol on a full-time course starting in September 2026, as well as being an active, well-attended student and not withdrawn before 1st December 2026.
- The referrer, if a current Access Creative College student, must either be continuing on with their studies at Access Creative College, or completing their course. If a current offer holder with Access Creative College, they must also accept and enrol on a full-time course starting September 2026.
- Payment of the £50 voucher will be made to both parties after 1st December 2026.

Reward Conditions

- It must be referenced at interview when prompted by the admissions team if the referee has been referred by an existing student or offer holder. ***This is the only opportunity to be eligible for the scheme.***
- The £50 voucher will be issued to your home address after 1st December 2026.
- A student can refer multiple referees.

Verification and Fraud Prevention

- Access Creative College reserves the right to verify the identity and status of both parties before issuing any reward.
- Any form of fraudulent activity, including self-referrals or manipulation of the process, will result in disqualification from the scheme.

Modifications and Termination

- Access Creative College reserves the right to amend, suspend or terminate the scheme at any time without prior notice.
- In the event of a dispute, the decision of Access Creative College will be final.

Data Protection

- Personal data collected during the referral process will be used in accordance with Access Creative College's Data Protection Policy.
